Where: **Woodlot and home of Brent Attwell**

1196 Leighs Bay Road, Sault Ste. Marie, ON

Please drive up the driveway and park by the barn

What:

We will be holding our first of several events of 2023 and invite you to come join us! Feel free to bring a friend or neighbour who is interested in forestry as well.

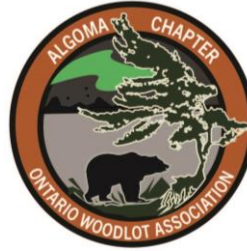

Active Woodlot Harvest Tour

- Approximately 2 km hike (no snowshoes needed) to see:
 - Modified clearcut in two areas, one spruce budworm (with AOC to APA buffer);
 - Selection cutting of a mixed hardwood stand;
 - Shelterwood cutting of a Scots pine plantation;
 - Equipment being used: cable skidder, farm tractor
- Lunch: fire will be going outside, **BRING A BAG LUNCH**
- Bandsaw milling demo pine/spruce

Woodlot tours are an opportunity to see how others are managing their woodlots but also a time for sharing of knowledge and learning from each other. Hope to see you there!!
