Quinte Chapter Event:  
Tree Planting, 40 Years Later

Saturday, October 21, 2023, 10:30 a.m.

A walk with Terry & Bonnie Smith  
723 Bethel Road, Roslin

Are you planning or in the midst of tree-planting on your property and trying to imagine what it'll look like when the trees mature?

Terry and Bonnie Smith have lived at 723 Bethel Road for over 40 years, and in that time, they have planted thousands of trees.

Join us as they lead us on a walk around their 110 acres, where you can see the results of their long-term tree-planting efforts, and hear about some of their successes, failures, and favourite spots on the property.

Admission:

OWA members + 1 guest: free

Pre-registration using your OWA log-in is required by Oct 18:
